- If someone tries to snatch your bag, don't unnecessarily resist or fight them. No amount of money is worth the risk of personal injury.
- If you use public transport, follow the timetables so you do not have to wait for too long at a station or bus stop.
- If a friend or a taxi drives you home, ask them to wait until you are safely inside. ADT armed response clients can call ADT who will dispatch a local armed response vehicle and officer (availability permitting) to see you into your home.

1 Verdagte voertuie gemonitor

VOORKOM DIEFSTAL VAN U VOERTUIG

'n Misdadiger het net 'n paar minute nodig om by u voertuig in te breek of dit te steel. Die volgende riglyne sal u help om die risiko van voertuigdiefstal te verlaag, ongeag of u tuis is of net vinnig by die winkels 'n draai maak.

- **Parkering:** Parkeer u voertuig op 'n veilige plek wat goed belig is. As u kan, parkeer u voertuig agter geslote hekke of in die motorhuis. Die algemeenste plek waar voertuie gesteel word, is in die straat buitekant u huis.
- **Veiligheidstelsels:** Installeer 'n opsporingstelsel, immobiliseerder en alarmstelsel in u voertuig. Onthou om u alarmstelsel en ander veiligheidstoerusting altyd te aktiveer.
- **Toesluit:** Sluit u voertuig en maak al die vensters behoorlik toe, ongeag of u tuis of elders is.
- **Waardevolle artikels:** Enige waardevolle artikels soos handsakke, selfone en inkopiesakke is 'n uitnodiging vir enige misdadiger. Bêre hierdie artikels in die katterbak waar hulle uit die oog is.
- **Wees waaksaam:** Wees op die uitkyk vir verdagte persone in die area – gewone rondlopers is nie die mense wat voertuie steel nie.

In the event of multiple incidents vehicles in adjacent areas will respond/assist.

Ingeval van veelvoudige insidente sal voertuie in aangrensende areas uithelp.
