SOME SIMPLE TIPS FOR STAYING SAFE

Wanneer jy tuis is

Indien jy tekens van 'n inbraak by jou woning sien, soos bv. 'n stukkende venster of 'n oop deur, moenie binne gaan nie. Kontak onmiddellik die HCW patrollie voertuig.

Don't give keys to workmen or tradesmen, as they can easily make copies. If other people such as previous tenants could still have keys that fit, change the locks.

Wanneer jy telefoonoproep tuis beantwoord, moet nooit persoonlike inligting aan 'n vreemdeling verstrek of enigsins noem dat jy alleen tuis is nie.

A family dog can be a deterrent to criminals. But remember, even the best watch-dog can be controlled by food or poison. Do not install separate "doggy doors" or entrances. They can also admit small intruders.

VEILIGHEIDSWENK: IN U VOERTUG

Installeer 'n doeltreffende immobiliseerder en alarm of 'n stuurwielslot. Nog 'n goeie idee is om 'n sluitbare brandstoftenkprop op u voertuig te hê. Maak seker dat u voertuig meganies in 'n goeie toestand is, aangesien 'n voertuigbrekasje kan meebring dat u baie kwesbaar is langs die pad.

SOME SIMPLE TIPS FOR STAYING SAFE

When out and about

If you regularly go jogging or cycling, keep to well-lit roads with pavements, and to open spaces where you can see and be seen by other people – avoid wooded areas.

Hou jou handsak naby jou, met die oopmaak gedeelte teen jou. Dra jou huissleutels in 'n ander sak, indien moontlik. Indien iemand jou handsak gryp, moenie teenstand bied nie – jy kan seerkry. Onthou, jou veiligheid is meer werd as jou eiendom.

Hou jou motor se deure gesluit terwyl jy bestuur, en hou waardevolle items buite sig. Indien jy die venster wel moet oopmaak, dan slegs effens sodat niemand 'n arm daardeur kan steek nie.

After dark, park in a well-lit, busy place. Look around before you get out. If you're parking in daylight, but coming back for your car at night, think about how things will look in the dark.

Wanneer jy na jou motor in 'n parkeerarea terugkeer, hou jou sleutels byderhand sodat jy vinnig kan oopsluit. Voor jy inklim maak eers seker dat niemand binne is nie. Sluit die deur onmiddellik wanneer jy binne is en vertrek so gou moontlik.

VEILIGHEIDSWENK: IN U HUIS

- Sluit altyd die buitedeure en maak vensters deeglik toe of vas in vertrekke wat ver is van waar die gesin gewoonlik besig is. Doen saans dieselfde.
- Sluit met slaapyd die deure wat lei na vertrekke wat nie dan gebruik word nie.
- Trek die gordyne saans toe, sodat potensiële indringers nie in u huis kan insien nie.
- As u saans iets verdags wil ondersoek, moenie alleen buitentoe gaan nie. Skakel eerder al die ligte af en loer deur 'n gordyn om te sien wat buite aangaan, nadat u oë aan die donker gewoon is.

In the event of multiple incidents vehicles in adjacent areas will respond/assist.

Ingeval van veelvoudige insidente sal voertuie in aangrensende areas uithelp.
